

## Dog Protection Promise

I, \_\_\_\_\_, know that candy is not good for dogs and that chocolate can make dogs very sick. Therefore, I promise to do my best to keep dogs safe by:

1. immediately putting my candy in my fanny pack or pocket, and immediately picking up any that drops accidentally;
2. being watchful for any candy accidentally dropped or left lying around, and taking responsibility for putting the candy in a safe place where the dogs cannot get it;
3. doing my best at all times to keep dogs and others safe from avoidable harm.
